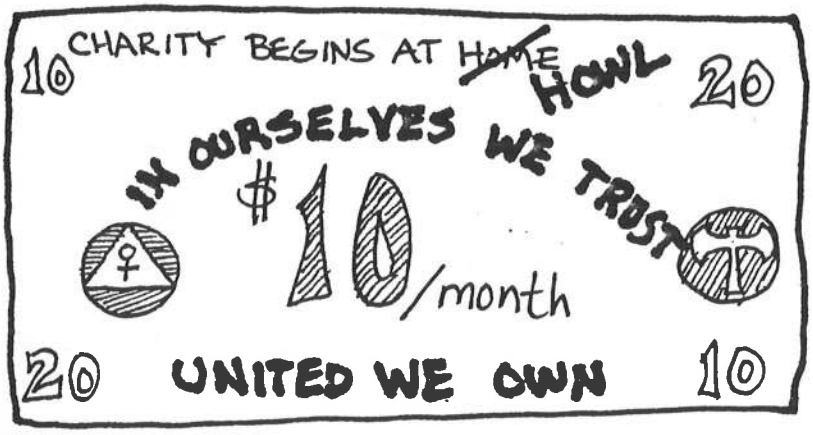
♀ Can't we make the "HOWL" fundraising quicker and easier?

♀ Can we take a $2.50/week risk in ourselves and our women's culture-building?

♀ Can we build the positive energy and buy that land?



A UNITED APPROACH TO HOWL (HELP OPEN WOMEN'S LAND) FUNDRAISING

Have you felt that your contribution towards the $150,000 cost of "HOWL" would be a "drop in the bucket," hardly noticed? I have. So here's my idea. I want to collect 150-200 signatures of people who will contribute $10/month for 5 years (or more if you can) to buy HOWL. (That's only $600 - you could give it in larger chunks than monthly). You don't pay until the 150-200 names are collected and the contract is written. WHEN YOU START TO PAY, IT MEANS **WE ALL ARE PAYING**, AND THE LAND IS BEING BOUGHT! United we're strong! Perhaps we can have a celebration dance in a month, instead of another dreadful fundraiser!

1. If you change your mind during the 5 years, you get a woman to take over your payments.
2. Can you ask 3 or more women who I probably haven't reached in Vermont or outside Vt. Please send names, addresses and amounts of monthly payments to me: Etana Finkler, 49 Central Ave., Burl Vt 05401; 862-4467
